BIO:

Computer Science postgraduate with strong foundational knowledge in software development, specializing in Python, Java, and full-stack web development using the Django framework. Experienced in building role-based web applications and automating workflows. Seeking to contribute technical skills to real-world IT projects in a dynamic organization

TECHNICAL SKILL:

- **Programming Language:** Python, Java.
- **Frontend:** Html, CSS, JavaScript.
- **Framework:** Django.
- **Databases:** MySQL, SQLite(schema design, querying, debugging)
- **Tool & Platforms:** PyCharm, VSCode, GitHub.
- **Concepts:** OOP, Data Structures, Pandas (data automation).

PROJECT:

Placement Cell Management – Campus

(Tech Stack: python, Django, HTML, CSS, JavaScript, SQLite.)

Developed a web application to digitize and automate the campus recruitment process for students, companies, and placement officers. The system provides role-based dashboards, real-time application tracking, and automated notifications to streamline job posting.

Food Ordering system using QR Code.

(Tech stack: Java, spring boot, HTML, CSS, JavaScript, MySQL)

Built a QR code-based food ordering system for hotels. Allowed users to browse menus, place orders, and make payments via smartphones. Enhanced customer experience by reducing manual ordering time.

INTERSHIPS & COURSES:

- **Python Programming Intern - NextGen IT Solution.**
-Developed and maintained Python scripts, concepts like oops data structure and automated data using pandas.
- **Web Development Intern - Code Tech IT Solution.**
-Developed the web application using Django Framework.
- **DCA Course – CSC Institute.**

EDUCATION:

- **Guru Nanak College-Velachery. (2024-2026)**
Master of Computer Application | Academic-85%
- **A.M. Jain College- Chennai. (2021-2024)**
Bachelor of computer science | Academic-75%
- **John Dewey School – Cuddalore. (2020-2021)**
12th | Academic-75%

CERTIFICATE:

- National Conference on Next-Generation Computing (2026) - Cisco
- OpenAI GPT Models – Infosys
- Diploma in Computer Application (DCA)- CSC

SOFT SKILL:

Team Work | Communication | Problem Solving | Adaptability.

LANGUAGES:

English | Tamil
